

Airport to Villa Directions

- From the airport take Highway 1 direction Cabo San Lucas. It is a toll Highway, bypassing San José del Cabo. You must pay a toll.
- After fifteen minutes you will come to an intersection where you will see a huge yellow monument of a flower; turn right and drive for about fifteen minutes more until you reach Cabo del Sol, Km 10.3, by the ocean side-you will recognize Cabo del Sol because of the bridge over the highway.
- Passing that for 2 minutes you will then see another bridge at Punta Ballena. Continuing along you will go past Home Depot, under the bridge at Missioines, past Costco, Wal-mart, Sam's Club and right though the center of Cabo San Lucas.
- Take Lazaro Cardenas to Cabo San Lucas Ave. and then take a left heading to the marina. At the new Cultural Pavilion take a right into Pedregal.
- To Casa Theodore or Casa Mega Point continue up along Camino del Mar until you reach "the rock in the road" at this turn left. You will pass the look out spot on your left and then crest the hill. After cresting the hill take a right and then your first left on Paseo de Campana.
- Casa Theodore is the 1st house on the right and Casa Mega Point is the 2nd house on the right.
